WORK EXPERIENCE

APR-2025 TO PRESENT

Quality Assurance (QA) Assistant
HEALTH CARE FORMULATION PVT. LTD.
C/8, Sardar Estate, Ajwa Road , Vadodara- 390019

- As a Quality Assurance professional, I am responsible for the end-to-end oversight of production standards, including the meticulous maintenance and review of Batch Manufacturing Records (BMR) and Batch Packing Records (BPR) to ensure strict SOP compliance.
- I actively monitor shop floor processes to uphold quality protocols and identify any manufacturing deviations.
- My role involves performing root cause analysis to implement effective corrective actions, leveraging my problem-solving skills and technical expertise to maintain high-quality healthcare formulation standards.
- IPQA Monitoring: Conducting regular in-process checks and line clearances during manufacturing and packaging to ensure every stage meets defined quality specifications and safety standards.

CORE COMPETENCIES

Problem Solving: Identifying manufacturing deviations

Communication: Technical writing and team reporting

Quick Learner: Adaptability to new laboratory protocols

Time Management: Highly punctual and deadline-oriented

Efficiency: Combining hard work with smart work strategies

FUNCTIONAL SKILLS

Documentation: BMR & BPR Review.

Quality Assurance: SOP Compliance & Auditing

Production: Line Clearance & IPQA Monitoring

Analysis: Root Cause Analysis (RCA)

Compliance: Safety & Regulatory Standards
